[illegible]

历经多年经营，汉钟已经成为横跨五大洲的国际知名厂家，以自有品牌"HANBELL"行销全球。

Shanghai Hanbell Seiki Limited by Share Ltd, is the screw and scroll compressor professional and related products manufacturing plant, air conditioning, refrigeration, compressed air, vacuum pump and other fields for the establishment of China independent high precision technology, progress.

Hanzhong has a professional design and development talent, new year and constantly create new products and services industry. The [illegible] application requirements from customers, and have experienced service personnel. They can support customers in any corner of the world at any time and place, so that customers with no worries.

After years of Cuilian Hanbell has become well-known international manufacturers across five continents, with its own brand "HANBELL" global marketing. Continued investment in resources for the Chinese mainland market, is to become the China compressor first brand. fully reflected...
